FUEL

CHANGE YOUR FUEL...CHANGE THE WORLD

SCREENING OF "FUEL"

A fast-paced 35 minute look into our clean energy future. Winner of the Sundance Audience Award. Trailer and more at www.thefuelfilm.com.

**The Climate
Reality Project**

CLIMATE CHANGE PRESENTATION

LAUSD Secondary School Science Advisor John Zavalney facilitates a lively discussion highlighting the growing incidence of extreme weather events and their connection to increased greenhouse gas pollution in the atmosphere. More at <http://www.climaterealityproject.org>.

GOSOLAR MAR VISTA!

Learn about Mar Vista's goal of 100% clean electricity, a neighborhood solar group discount of up to 33%, and funding from Google and Clean Power Finance to install solar panels on residential rooftops. FREE rooftop assessment at www.openmarvista.net/gosolar.
